

## MAKE IT ON A MONDAY

This week's project uses empty toilet roll tubes. We are sure that you will have saved enough to complete at least one of the projects in the You Tube clips!

Below are links to some  clips that will (hopefully) inspire you to get crafting. If you do get '*stuck*' Sue will be about on Wednesday, Thursday or Friday to talk it through.

Just Ctrl & Click on the image and it will take you to 

20 very clever ideas for empty toilet rolls including

- A new way of gifting bank notes!
- A novel way of bringing seeds on for the summer
- An idea on how to keep loose cables nice and tidy
- A very special owl Christmas gift box
- A decorative wall hang

This clip has some of the same ideas, however there is one in particular that would be a lovely thing to do to encourage the birds into your garden. It is approximately 1 minute into the clip.

And for the more experienced, how about these ideas!!

Good luck and please let us know how you got on. We would welcome any photographs that we can share on our social media. Please send photos and comments to [sue.lambert@northtynesidecarers.org.uk](mailto:sue.lambert@northtynesidecarers.org.uk)

**Have fun, looking forward to hearing from you.**
